**1979**

**TEST  
CASES**

**BUGS**

**THE  
ART  
OF  
SOFTWARE  
TESTING**

**Managing testing  
decreases its  
effectiveness for risk  
management...**

**Working to speed  
up testing actually  
slows it down...**

**Trying to find  
efficiencies in  
testing decreases  
innovation...**

**The Secret to Ant  
“Testing” Efficiency  
Is Idleness**

**Stop trying to manage testing**  
**Slow down to speed up**  
**Let idleness drive creativity**

**THANK YOU**

**THANK YOU**
