Trading Zones and Interactional Expertise

- Michael Gorman and Harry Collins
- Cross-disciplinary collaboration
- New ways of communication
- Difficulty in understanding multi-disciplinary roles
- Interactional expertise

	Homogeneous	Heterogeneous
Collaboration	Inter-language Biochemistry Nanoscience	Fractionated Interactional Expertise Interpreters Peer Review
Coercion	Subversive McDonalds Relativity	Enforced Galley Slaves Use of AZT to treat AIDS

	Homogeneous	Heterogeneous
Collaboration	Inter-language “wagile” Enterprise Testing	Fractionated Agile “pairing”
Coercion	Subversive Center of Excellence	Enforced Test Factory

thank you!
